

## Chants

Abortion is a human right  
Not just for the rich and white

Abortion is healthcare  
And healthcare is a right

Get up, get down  
New York is a pro-choice town

Thank God for abortion, thank God for abortion

Without this basic right, we can't be free  
Abortion on demand & without apology

When abortion is under attack, what do we do?  
Stand up, fight back!

“Pro-life”? That's a lie  
You don't care if people die

Not the church, not the state  
People must decide their fate

Free abortion on demand  
Can we do it?  
Yes we can!

Keep your prayers off our bodies

My body, my choice/  
Their body, their choice

Racist cops, rapist priests  
No matter what we'll hit the streets

Racist, sexist, anti-gay  
NYPD go away  
Racist, sexist, anti-gay  
Christian fascists go away

My body, my business, bitch!

Get better hobbies than policing our bodies!

Fuck the courts and legislators,  
We are not your incubators!

1, 2, 3, 4, abortion is worth fighting for!  
5, 6, 7, 8, our hopes and dreams are what's at stake!

Pray, you'll need it  
Your cause will be defeated

What do we want?  
Abortion rights!  
When do we want it?  
Now!  
If we don't get it?  
Shut it down!  
If we don't get it?  
Shut it down!

***\*Please don't chant in front of the clinic. Sing songs instead!***

 Marching across these fields where a million fascists died  
 You're bound to lose, you fascists bound to lose [CHORUS]

### **Solidarity Forever: Reproductive Rights Edition**

- ① You say that you're just here to pray, but we know that's not true  
 You harass and intimidate and try to bully too  
 But we'll stand up for patients and we won't back down for you  
 Our hearts are filled with song  
**chorus**  
 Solidarity forever, solidarity forever  
 Solidarity forever, solidarity makes us strong
- ② Don't hide behind religion when you spew misogyny  
 Don't tell us that you're pro-life when it's very plain to see  
 Though you want to turn the clock back; we'll keep fighting till we're free

- Our comrades keep us strong. [chorus]
- ③ We'll be here trusting women, LGBTI folks too  
 We will demonstrate and confiscate the power you once knew  
 We know how to build a better world – you haven't got a clue  
 Your weakness makes us strong [chorus]
- ④ You can pray at us or punch at us, get down on bended knee  
 But just the same, we'll send you on your way with certain glee  
 'Cause you still defend your pedophiles which makes it plain to see  
 Your morals are all wrong! [chorus]
- ⑤ You divide us by our color, you divide us by our tongue  
 You divide us by our gender, you divide us old and young  
 But you'll tremble at our voices when you hear these verses sung  
 Our hearts are filled with song [chorus]
